PRESS RELEASE

Jamie Hargrove, an Attorney and CPA, announced today that the name of his law firm is changing to “Hargrove FIRM.”. It was almost 8 years ago when Mr. Hargrove spun his practice out of a 160-attorney law firm where Mr. Hargrove lead their estate & trust practice for almost 9 years. The firm continues to evolve from a local practice in Louisville, Lexington and Nashville to expand a national presence with the continued focus in Estate Planning, Probate, Trust Administration and related Tax matters.

The firm formerly had offices in 23 states with over 30 attorneys prior to the spin-off of the firm’s online practice to what is now NetLaw (www.NetLawInc.com) where Mr. Hargrove was a co-founder and continues to serve as its President & CEO.

Mr. Hargrove’s firm in 2012 was the recipient of the American Bar Association eLawyering award for the best online delivery of legal services of any law firm, of any discipline, in the United States.

While at its current local offices the firm will handle matters of all sizes in its areas of expertise, nationally, as it expands, the focus across the country will be sophisticated estate and tax planning strategies for high net worth families to include income and business tax saving strategies, business succession planning, and overall asset protection and preservation strategies.

Jamie Hargrove is the author of *End of Lawyers, Thank Goodness! Estate Planning and the End of Inefficient Lawyers* available on Amazon in hardback, Kindle & Audiobooks.

Mr. Hargrove is the only attorney and CPA in Kentucky to be designated as an accredited estate planner by the National Association of Estate Planners & Councils. Mr. Hargrove has been included in numerous editions of The Best Lawyers in America® and has been selected as one of the Best Lawyers in Trust & Estates Law by his peers, as published in “The American Lawyer”. He also received national recognition as a SuperLawyer®, a national listing of outstanding lawyers who have attained the highest degree of peer recognition and professional achievement.

Visit Hargrove Firm. on the web at www.HargroveFirm.com. There you will find useful tools and pertinent information.
