## A National Business Valuation & Forensic Accounting Practice

Business Valuations  
Forensic Accounting  
Economic Damages  
Expert Testimony

# Teamwork and technology lead to outstanding service

Hargrove Firm Valuations employs a formidable team of attorneys and Certified Public Accountants to meet client needs from start to finish. Led by its President, Andrew W. Green, the Valuations team utilizes state-of-the-art technology and diverse skill sets to deliver the highest quality professional services to clients.

Our team provides a personal, customized experience by working closely with our clients and their advisors to achieve timely, efficient results.

# Imagine if your expert witness is also a trial attorney

Andrew W. Green, Attorney/CPA/CVA, and the Hargrove Firm Valuations team of attorneys and CPAs marshal a rare combination of educational and experienced backgrounds to collaborate with legal, accounting, and other professionals toward uniquely effective results.

The Valuations team provides cutting-edge business valuation services and expert testimony on forensic accounting, economic damages, and other areas where the law and accounting converge.

# WE SIMPLY MAKE IT EASIER

## CLIENT-CENTERED APPROACH

Hargrove Firm Valuations leverages the extensive legal and accounting experience of its team members to provide clients top-notch professional services.

## TIMELY RESULTS

Our clients demand prompt results. The Valuations team delivers expeditious, insightful solutions to our clients' complex needs.

## TECHNOLOGY

Our team utilizes industry-leading technology to seamlessly provide exceptional client service.

## CONFIDENTIALITY

Confidentiality is of the utmost importance. We use technology and established protocols to keep our clients' private information secure and confidential at all times.

## A Kentucky-Based National Practice in Over 45 States
