Business Care Program Leader

Licensed to practice in KY, SC & WY

Hargrove Firm is pleased to expand its service offerings to include a new **Business Care program** led by Partner Ramsey Steele E. Watson and to share a timely reminder with business owners:

Effective January 1, 2024, the **Corporate Transparency Act (CTA)** requires new and existing Limited Liability Companies (LLCs) and corporations to disclose ownership information to the U.S. Department of the Treasury's Financial Crimes Enforcement Network (FinCEN). Hargrove Firm can help clients prepare to meet these new requirements.

Through participation in the **Business Care program**, Hargrove Firm represents clients in the annual maintenance of each business entity that they enroll. Our Business Care team will ensure your company maintains compliance with the appropriate state business authorities and remains in good standing. This includes filing any necessary annual reports with the applicable Secretary of State office(s), as well as preparing documentation associated with changes to your foundational documents.

Program benefits include:

- An annual review of the business entity with Hargrove Firm to discuss updates to business structure and applicable law changes
- Annual meeting minute preparation
- Filing of the annual report and facilitation of registered agent fee payments
- Filing of Statement of Change of Registered Agent/Office or Principal Office
- Invitation to participate in our Registered Agent Services

Participation in the Business Care program provides our clients with peace of mind. Pricing details associated with participation in the program are available upon request.

To join the Business Care program, or to learn how this program can meet your unique needs, call **1-877-564-8716** or email **businesscare@hargrovefirm.com** to schedule a consultation with Hargrove Firm in person or via video conference. **We look forward to serving you!**
